## This Month in Discovery Kitchen December 7<sup>th</sup>

December is Spice It Up! month in the cafes where we'll be engaging students with fresh recipes, delicious demos, and fun and informative nutrition education. Spice It Up! Is a celebration of international recipes that are proven to raise the bar of the spice rack empowering students to join in cooking with various spices that are sure to spice up any meal with their family and friends.

In December, chefs and dietitians will organize Discovery Kitchen experiences in the cafeteria and classrooms with interactive ways students can taste and learn about flavor profiles from other countries and how to season foods without salt.
